

GLOBAL BUSINESSES & EXECUTIVES

Track business growth across various countries with our Global Business data

Which countries' companies will buck the trend of slowed growth in 2023? According to S&P, Asia-Pacific will achieve real growth of roughly 3.5% in 2023, while Europe will likely face recession. Use our historic Global Business data to determine if they're correct. Discover global business trends using 24-months of business data including firmographics like employee size and sales volume.

GLOBAL BUSINESS CONTACTS FOR RESEARCH & APPEND

Ideal for research purposes and for appending, we also hold global business contact data on sales volume, hiring, ethnicity and more:

Company Industry

Company Location

Company Revenue

Number of Employees

Private/Public Companies

C-Suite

Directors & Managers

Employee Department

Employee Job Title
